

Annual Report of Kumamoto Prefectural Institute
of Public-Health
and Environmental Science
No. 49 2019
Contents (Research)

Regular Articles

- 1) Development on Simultaneous Determination of Pesticides in foods by SFE-GC/MS/MS
Junji TOMINAGA^{*1}, Daisuke HONDA^{*2}, Rise MATSUMOTO^{*3}, Yuko NAKAHARA^{*4},
Masahide KOBAYASHI, Naho YAMAGUCHI, Takeshi NISHINA^{*2} and Hironobu
FUKUSHIMA
*1 Agricultural Technology Division
*2 Public Sanitation and Pharmaceutical Division
*3 Yatsushiro Area Promotion bureau, Southern Kumamoto Administrative Headquarters
*4 Kikuchi Area Promotion bureau, Northern Kumamoto Administrative Headquarters

- 2) Identification of antibiotics in meats by LC/MS/MS
Naho YAMAGUCHI, Masahide KOBAYASHI, Takeshi NISHINA^{*} and Hironobu
FUKUSHIMA
* Public Sanitation and Pharmaceutical Division

- 3) Predicting the spatial distribution of PM2.5 in Kyushu area by Regression Kriging
Daisuke KOHARA, Shoei FURUSAWA^{*1}, Satoshi TOYONAGA^{*2}, Shin ARAKI^{*3}, Yusuke
YAMAMOTO^{*4}, Yoshitomo YAMASAKI and Hiromichi YANO^{*5}
*1 Hitoyoshi Area Promotion bureau, Northern Kumamoto Administrative Headquarters
*2 Aso Area Promotion bureau, Northern Kumamoto Administrative Headquarters
*3 Osaka University, Osaka
*4 Environmental Education and Intelligence Center
*5 Environmental Conservation Division

- 4) Analyses of Environmental Assessment by Aquatic Indicator Organism in Rivers by Community
biology Methods
Daichi UCHIDA^{*}
* Kikuchi Area Promotion Bureau, Northern Kumamoto Administrative Headquarters

- 5) Development of Rapid and Simultaneous Analysis for Pesticides and Insecticides from Gills by
GC/MS
Hiroaki ISHIHARA, Kouki SAITOU, Kohei MIYAZAKI, Daichi UCHIDA^{*}, Haruka
NISHIJIMA, Chihiro TAKE, Seiki KINO
* Kikuchi Area Promotion Bureau, Northern Kumamoto Administrative Headquarters

Reports

- 1) Epidemiological Surveillance of Infectious Diseases in Kumamoto Prefecture (2019)
Rika MAEDA, Mami SATO, Shouichirou GEJIMA, Takaaki HIRANO, Takashi SAKAI^{*} and
Shunsuke YAHIRO
* Public Sanitation and Pharmaceutical Division

- 2) Surveillance of Japanese Encephalitis Virus Infection in Kumamoto Prefecture (2019)
Shouichirou GEJIMA, Seiya HARADA, Takashi SAKAI^{*1} and Kazutoshi MATSUMOTO^{*2}
*1 Public Sanitation and Pharmaceutical Division
*2 Meat Inspection Office
- 3) Predicting the spatial distribution of PM2.5 in Kyushu area by Regression Kriging
Daisuke KOHARA, Shoei FURUSAWA^{*1}, Satoshi TOYONAGA^{*2}, Shin ARAKI^{*3}, Yusuke YAMAMOTO^{*4}, Yoshitomo YAMASAKI and Hiromichi YANO^{*5}
*1 Hitoyoshi Area Promotion bureau, Northern Kumamoto Administrative Headquarters
*2 Aso Area Promotion bureau, Northern Kumamoto Administrative Headquarters
*3 Osaka University, Osaka
*4 Environmental Education and Intelligence Center
*5 Environmental Conservation Division
- 4) Radioactivity Survey Data in Kumamoto Prefecture (2019)
Hiromichi KITAOKA, Kazunori UENO, Yusuke YAMAMOTO*, Daisuke KOHARA and Yoshitomo YAMASAKI
* Environmental Education and Intelligence Center
- 5) Long-Term Monitoring of Acid Deposition in Kumamoto Prefecture (2018)
- Samples Collected as Uto City -
Kazunori UENO and Daisuke KOHARA
- 6) Grandwater quality in Kikuchi-city area
-From the results of the Preliminary Investigation of Groundwater Contaminated with Nitrate Nitrogen in Kikuchi-City(2019)-
Seiki KINO, Toshitaka MAEDA^{*1}, Yuko NAKAHARA^{*2}, and Chihiro TAKE
*1 Environmental Conservation Division
*2 Kikuchi Area Promotion Bureau, Northern Kumamoto Administrative Headquarters
- 7) Environmental Assessment by Aquatic Indicator Organism In Rivers In Kumamoto Prefecture (2019)
Daichi UCHIDA*, Haruka NISHIJIMA, Chihiro TAKE, Kouki SAITOU, Hiroaki ISHIHARA, Tomoyuki SANADA, Seiki KINO
* Kikuchi Area Promotion Bureau, Northern Kumamoto Administrative Headquarters
